AP Logistics Sp. z o.o. is a limited liability company with 100-percent share of Polish capital. The primary advantage of AP Logistics is people – professionals with long-term forwarding experience, originating from known and renowned companies of maritime sector. They make a good and acknowledged team of specialists, providing a guarantee for personal customer approach. Knowledge and competence, acquired over the years of practice, allow for meeting each even a very sophisticated customer order. Our goal is to provide professional, fast, and at the same time flexible service tailored to individual needs of each of our contracting parties. The whole trick is to find the "golden mean": high quality service for a reasonable price.

AP Logistics 有限责任公司是一个波兰全资的有限责任公司。AP logistics 公司的首要资源是人——他们是在海运领域的各大企业拥有很多经验的专业人士。他们组成了一个专业团队，他们是为客户提供可靠服务的保障。通过多年的实践获得的知识与专业能力，使我们能为客户提供优质的服务。我们的目标是为每个客户提供专业、快速和灵活且有针对性的服务。最重要是找到一个黄金点：优质的服务和合理的价格。

Our company has focused its business activities first of all on overall logistical services for companies, with a special consideration of maritime, vehicle, and rail forwarding. We implement logistical projects in all geographical latitudes.

Using a global network of logistical connections, we offer all types of services in the area of organising conveyance by sea, air, and road. We have also a worldwide network of agents/partners.

我们的公司的主要业务是为公司提供物流服务——主要集中于海运、货运、铁路运输。我们的物流覆盖所有的地区。

利用全球的物流关系，我们提供各种海运、陆运、空运的运输服务。我们在全球都有合作伙伴。

DLS – Trans is a company, which has been successful in the transport branch for over 16 years now. Many things have changed since we were founded. When we began we were merely a freight forwarding company, whereas we are now recognized experts for transport and logistics solutions with our own large fleet of vehicles. Our 65, highly qualified employees ensure that all orders are processed as quickly as possible.

Moreover, we offer our services in sea freight: Import and Export worldwide as well as cross trades, customs clearance, warehousing. We use electronically archiving system, therefore you have several positive advantages

DLS – Trans is certificated to ISO DIN EN 9001:2008 and have also introduced SQAS [safety and quality assessment system].

Naturally DLS – Trans transports the goods entrusted to us with maximum quality, an environmentally friendly manner and meeting the constantly growing official security requirements.

Our objective is to provide value-added services to all of our customers.

DLS – Trans

是一个在运输行业已成功运营16年的公司。自成立以来，我们也在与时俱进。成立初期，我们只是一个货运代理公司，然而现在我们是拥有自己庞大舰队和车队的专业物流运输公司。我们65名称职高素质的员工保证所有的订单都会被高速有效的处理。

此外，我们提供海运的相关服务：全球范围的进出口，跨境贸易，清关及仓储服务。

DLS – Trans 已通过 ISO DIN EN 9001:2008 体系认证，并引入了SQAS (运输安全品质评估系统)

当然，DLS – Trans 保证最高质量且环境友好的运输方式，并符合不断增长的官方安全标准。

我们的目标是向我们所有的客户提供物超所值的服务。

Company Handel i Minerały Nowak was founded in April 2011. As the only one in Poland, is engaged in the sourcing, processing and sale of natural aggregates delivered from the deposit located on the Baltic Sea - "South Shoal Central - Southern Baltic."

We produce the highest quality construction aggregates, which find their use in the most demanding projects of the region of Pomerania.

Daily sales varies at the level of 3,000 tons of finished product, which is about 120 dump trucks. Because of the attractiveness of our location we are able to accept and release of goods forwarding sea, road and rail at 10,000 tons per day.

We work with major companies in the construction industry. Our partners include Strabag, Skanska, Budimex, OHL, Cemex, FCC Construction, CRH Group Companies.

Handel i Minerały公司成立于2011年4月。作为波兰的唯一一个公司，我们从事收购，加工和销售在波罗的海资源丰富的自然石料——“南方浅滩中环 - 南波罗的海”。我们生产最好质量的建筑材料。我们的材料在滨海省最苛刻的项目中被大量使用。

成品日销售量维持在3000吨的水平，约为120 卡车。因为优越的地理位置，我们可以完成每日10000 吨海运，陆运，和铁路运输的吞吐量。

我们同建筑行业的主要公司都有合作，包括Strabag, Skanska, Budimex, OHL, Cemex, FCC Construction, CRH Group Companies.
