TASTE POMORSKIE

Culinary experiences in Pomorskie.

The Taste Pomorskie trail was created as part of the BASCIL project, which aims to develop culinary tourism services. This unique route leads through a variety of places across the region where visitors can discover local flavours and culinary traditions.

Visiting places on the *Taste Pomorskie*, you will sample local cheeses, cold cuts, fish, traditional dishes, herbs, honey, and craft alcohols. At the same time, you will explore the region's rich history and culture, meeting local producers and artisans.

It is a perfect opportunity to combine a passion for food with discovering interesting places and meeting new people.
